The Crossing Backpackers is a safe, relaxed, spacious, fun environment with friendly and helpful staff.

Set up with school groups in mind the layout allows for separate quarters for boys and girls, with adults rooms interspersed for ease of supervision.

The large dining room, lounge, and outdoor areas provide excellent space for class time and recreational activities. A fully equipped kitchen, DVD movie room, TV lounge and games room, drying room, spa pool, WIFI and laundry facilities are also available for your use.

Located 6kms from National Park in a rural setting, backing onto The Tongariro National Park dual world heritage site.
